第 95_4 项训练：矩阵运笔

The image shows two 5x5 dot grids. The top-left grid has a purple line tracing a path: starting at the second dot from the left in the second row, moving right to the fourth dot, then down to the fourth dot in the fourth row, and finally up to the fourth dot in the second row. The top-right grid has a red line tracing a path: starting at the first dot in the second row, moving up to the first dot in the first row, then right to the third dot in the first row, down to the third dot in the third row, and finally up to the third dot in the first row. The bottom two grids are empty 5x5 dot grids for practice.
