

第 60_1 项训练：矩阵运笔

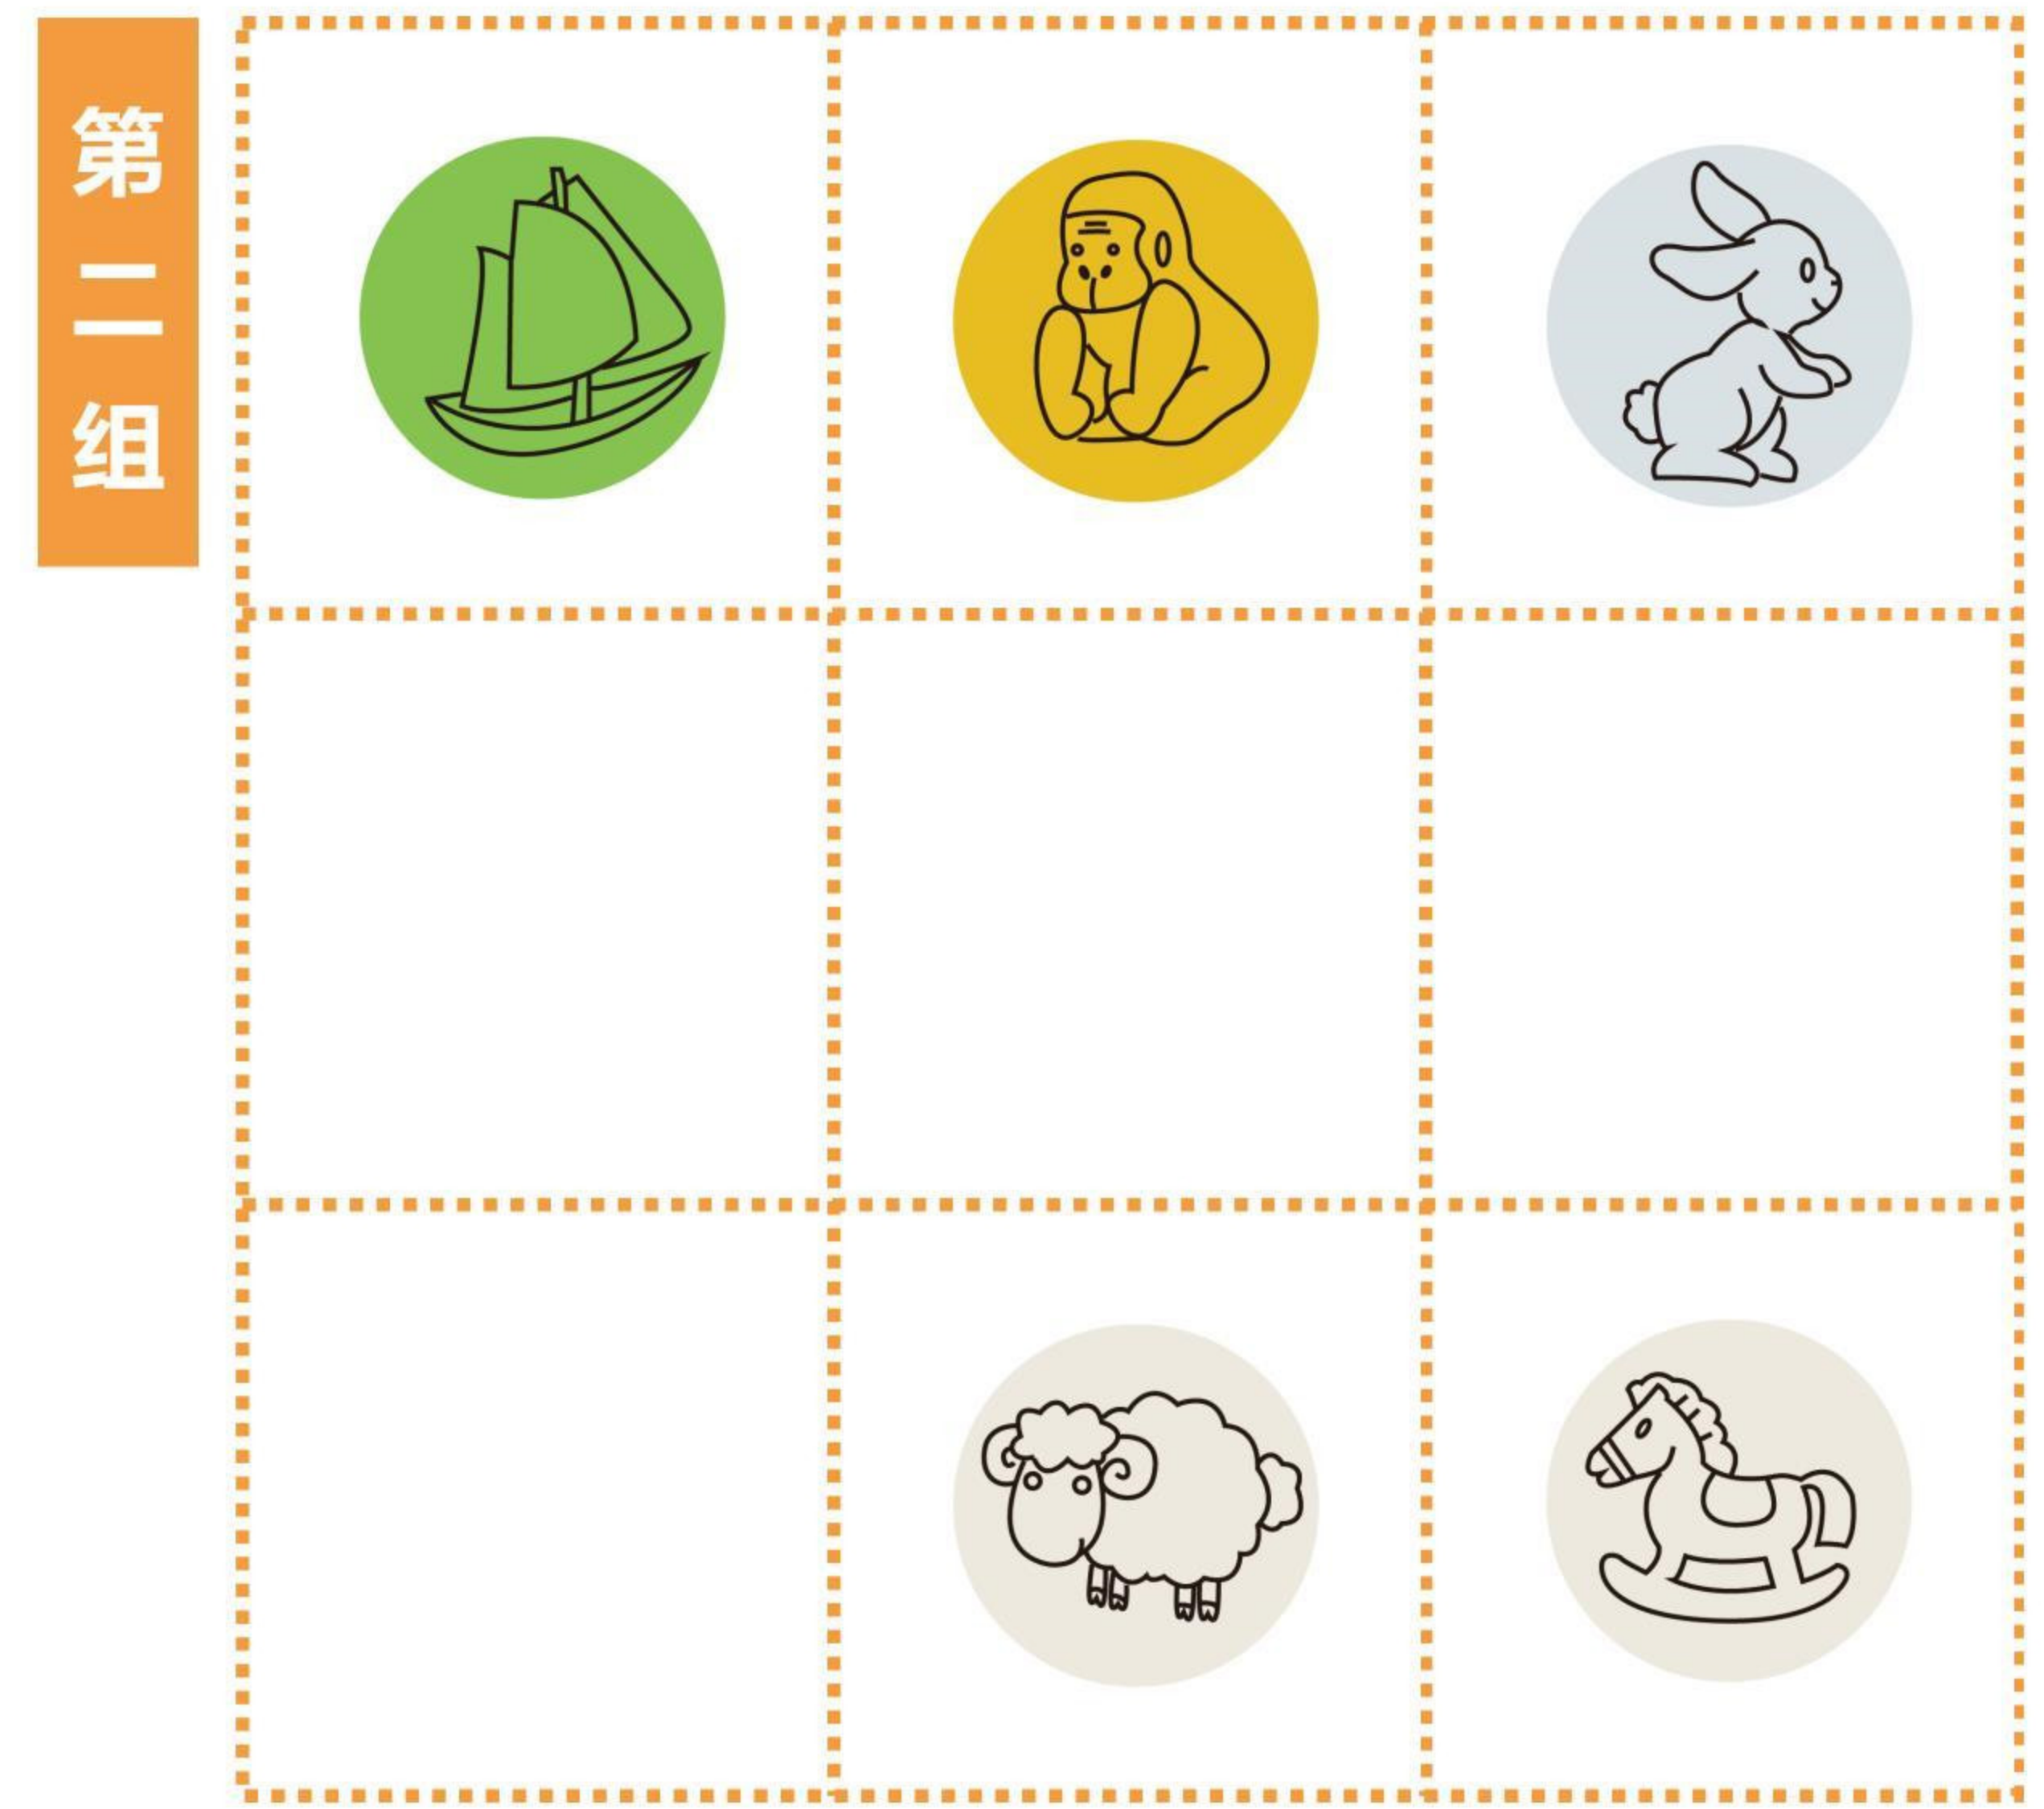

The image shows four examples of path tracing on a 5x5 dot grid. Each example consists of a 5x5 grid of dots with a colored line connecting some of them to form a specific shape. The shapes are: 1) A green path forming a shape similar to a stylized 'A' or 'M'. 2) A red path forming a shape similar to a stylized 'N' or 'W'. 3) A green path forming a shape similar to a stylized 'W' or 'M'. 4) A purple path forming a shape similar to a stylized 'A' or 'M'.
